Our dear friend Ike
It is with great sadness that bid our dearest friend Ike farewell.
We always looked forward to your visits in South Africa as much as you did. We know what Franschhoek meant to you and how much you meant to us.
We will miss your laughter, kindness and generosity and it breaks our hearts to know we will never see you again.

Your beautiful smile is treasured in our hearts forever.

Rest in peace dear friend.
With all our love
Lily Seppy and Che
